

# CLOSURE TRAIL STUDY

Plainville • Southington • New Britain

## Help Make Your Community More Walk & Bike Friendly!

### WHAT IS THE PUBLIC INFORMATION MEETING ABOUT?

Join us to review the potential trail alignments in Plainville and New Britain that will be evaluated later this spring. These alignments will help to complete the Farmington Canal Heritage Trail through Plainville and connect to the CT **fastrak** station in New Britain. We want your feedback on the alignments as well as the criteria that will be used to evaluate them.

### WHY DOES IT MATTER TO YOU?

It's all about connectivity! This project will help connect the community with recreational trails and local transit options, increasing access and mobility.
